JEFFERSON RADIOLOGY

How We Can Support You

Our breast imaging team is growing tremendously, with support from a network of highly experienced breast radiologists through partnerships with premier radiology groups, including Radiology Affiliates Imaging. Our expanding team is designed to increase our capacity, helping us improve turnaround times. While these additional radiologists bring exceptional expertise, they support us in a flexible capacity, which may occasionally impact their availability.

Need to speak with a breast imaging radiologist?

Contact 860-289-3375, ext 8294, and one of our mammography support associates will connect you.
